"Resident alien" refers to students who are permanent residents but not citizens of the U.S. "Non-resident alien" refers to students who are not citizens and who are in this country on a temporary basis without the right to remain indefinitely (do not have Green Cards). The chart includes only students with non-citizen status. These data refer to students enrolled as of October 1, 2005.

Note: Prelicensure BSN includes Paramedic-RN students.
